In compliance with Article 33 of the REACH Regulation, we inform you that all the products we supply do not contain any substances listed by the European Chemicals Agency (ECHA) in the "Candidate List of Substances of Very High Concern for Authorization" (SVHC) in concentrations exceeding 0.1%, neither as components nor as known impurities (list of substances updated as of January 2025).

Furthermore, we certify that our products comply with all the requirements and exemptions established by the European Directive RoHS 2.0 2011/65/EC and the European Delegated Directive 2015/863 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
